RE: *U.S. v. Abreu, et al.*, 19 Cr. 821 (KMW)

Dear Judge Wood,

I represent Neury Abreu in the above-captioned matter. His sentencing hearing is currently scheduled for October 20. I have been informed by your deputy that this date now presents a conflict for the court's calendar. We have discussed a new date for sentencing of November 9, 2021, at noon, and I write now to request that adjournment. The government has no objection to the adjournment.

1c mw  
granted

I also request this adjournment because my client's family wishes to attend the hearing but they require some advance notice with their employers. Additionally, I have been informed that my client is currently in quarantine lockdown at MDC Brooklyn because someone in his unit contracted COVID-19. As such, I may have some difficulty meeting with him in the next two weeks to prepare for the sentencing hearing. The proposed adjournment should solve these issues.

This is the second request for an adjournment of sentencing. Thank you.

Sincerely,
